# GNETS Services Flow Chart

## Georgia Network for Educational and Therapeutic Support

A student currently being served in SPED has behavior problems at their school and it is believed GNETS may be an option. (*GNETS services are only for students served in SPED*). School personnel contacts Special Education Director or designee with concerns (outlining frequency, duration and intensity of behavior problems). A check list of "Guiding Questions" is completed to determine whether more work is needed at the school level or to proceed with GNETS involvement.
